ECONOMIC INTELLIGENCE COMMITTEE

EIC-D-323/b

TERMS OF REFERENCE FOR THE SUBCOMMITTEE ON GENERAL ECONOMIC ANALYSIS

(Approved by the EIC, 29 October 1958)

A. Mission of EIC Subcommittee on General Economic Analysis

The mission of the EIC Subcommittee on General Economic Analysis\* is to provide an organizational framework for carrying out within its field the basic review and coordination responsibilities of the EIC and for ensuring that, on intelligence matters in its field affecting the national security, the intelligence community is supported by the full economic knowledge and technical talent available in or to the Government.

B. Membership and Organization

1. Membership of the Subcommittee on General Economic Analysis consists of representatives of the USIB agencies as designated by these departments and agencies and approved by the EIC.

2. Representatives of other government departments and agencies may participate as Associate Members of the Subcommittee upon approval of the EIC.

3. Active participation by agency representatives generally is governed by (a) the extent to which each agency concerned has production responsibilities in the field of general economic analysis, (b) the extent to which an agency has an interest in economic intelligence of broader scope which involves reference matters within the scope of the Subcommittee, and (c) the availability of qualified personnel.

\* The Subcommittee on General Economic Analysis, in contrast to EIC Subcommittees on special sectors of the economies of foreign countries, shall be concerned with the economy as a whole in such countries and it shall be concerned primarily with internal economic developments.

4. The Chairman of the Subcommittee is designated by the EIC, and the Central Intelligence Agency provides the permanent Secretariat. The Subcommittee may set up ad hoc working groups as necessary to assist in carrying out any of its assigned functions. The production of interdepartmental economic intelligence normally is assigned to ad hoc working groups rather than to the Subcommittee proper.

C. Functions

1. As the standing interagency economic intelligence group of professional and technical personnel in the field of general economic analysis, the Subcommittee shall perform the following minimum functions:

(a) Facilitate review of proposals for external research contracts in its field in accordance with the provisions of DCID 3/1 using the procedures adopted by the EIC. [See EIC-D-112/1, 5 June 1958, Procedures for EIC Review of Proposed US Governmental External Economic Research Contracts Involving More Than \$5,000.]

(b) Produce, on its own initiative (with EIC approval), or when directed by the EIC, interdepartmental economic intelligence on subjects in its field which transcend the competence of a single department or agency.

(c) Arrange on its own initiative, or when directed by the EIC, for the coordination of individual agency reports deemed of sufficient national security importance to warrant the solicitation of concurrences from the representatives on the Subcommittee. Arrange for coordination with other Subcommittees as appropriate.

(d) Mobilize, in support of the intelligence community, the full economic knowledge and technical talent in its field available in or to the Government. Such support will normally take the form of ad hoc responses to the requests of other USIB Committees [e.g., the USIB Ad Hoc Committee on Exchanges].

2. In addition to the minimum functions outlined above, the Subcommittee on General Economic Analysis, when appropriate, shall perform the following function with respect to its assigned field:

Assist or advise agencies in the programming of research in order to minimize duplication and assure as effective a distribution of research effort as is practical in view of each agency's responsibilities.

D. Operating Procedures

The Subcommittee shall establish its own operating procedures subject to the following conditions:

1. It shall meet in formal session at least once each fiscal year. Its Annual Report will be responsive to the request of the EIC Secretariat and will cover the activities of the Subcommittee in fulfilling its mission as outlined in C, above. The Subcommittee will schedule meetings as required to fulfill its missions.

2. The Subcommittee Secretariat shall provide all members of the EIC, the Subcommittee, and the EIC Secretariat with copies of the Agenda and Minutes of its meetings.

3. Reports and recommendations which have been approved by the Subcommittee may be transmitted to the EIC without comment. In case of dissent, the transmittal must be accompanied by an appropriate statement, prepared by the dissenter(s), advising the EIC of the nature and substance of the dissent.
